**TRANSMITTAL OF CERTIFICATE OF CORRECTION – OFFICE ERROR**

Sir:

Applicants wish to correct the above-referenced Letters patent to show the title as it was originally filed to **Improving Edge Placement Accuracy of Signals Generated by Test Equipment** instead of **Edge Placement Accuracy of Signals Generated by Test Equipment** as it now appears on the face of the issued patent. A copy of the first page of the Notice of Allowance and Issue Fee(s) Due is enclosed which correctly reflects the title of the invention.

While applicants believe this is an Office error and that no fee is required, please charge any fees due in connection with the filing of this paper to the deposit account of Texas Instruments Incorporated, Account No. 20-0668. Please credit any excess fees to the same deposit account.

Respectfully submitted,
